Subject: Letter of Reasonable Accessibility

Dear Mr. Buffington,

As Trusted Testers certified by the Office of Accessible Systems and Technology and Web Accessibility Specialists certified by the International Association of Accessibility Professionals, we would like to provide this Letter of Reasonable Accessibility regarding the online documents available through the www.cdcr.ca.gov website.

This determination is based on the Accessibility Plan developed and followed by the California Department of Corrections and Rehabilitation (CDCR) to comply to Title II of the ADA and California's AB 434. This plan includes the remediation of the most relevant PDF documents forming CDCR's online presence which Access2online Inc remediated to the WCAG 2.0 standard at a Level AA rating, which forms the compliance basis for AB 434. This plan remains a process with continuing staff training and remediation support in areas of online accessibility.

Detailed test procedures, violation listings, and remediation paths verified by Access2online are available upon request through CDCR. We hereby authorize CDCR to distribute copies of this Letter of Reasonable Accessibility anywhere they wish, including online.

Sincerely,

Peter Shikli,
CEO
